JUSTICE AND RIGHT

OSCAR P. SCHUMANN, Editor and Proprietor

VOLUME FIFTY

GRAYLING, MICHIGAN, AUGUST 23, 1928

NUMBER 34

## JAMES OLSON PASSED AWAY

The sad news was received Tuesday of the death at 5:00 o'clock that morning of James Olson at his home in Grand Blanc, Michigan. Mr. Olson had been ailing with leakage of the heart for many years and in May had an attack of the intestinal flu from which he never fully recovered. He was a patient in the hospital at Goodrich for a couple of months and later at a Flint hospital with care by specialists, but nothing could be done for him and a week ago he returned to Grand Blanc, where he passed away.

James Olson was a former Grayling boy and although not born here had spent the greater part of his life in Grayling. He was the son of John Olson, now of Saginaw, and a young boy who had been living here from Minnesota. He attended the Grayling schools and later took a course at Ferris Institute to fit himself for business and shortly after was engaged as logging superintendent for R. Hanson & Sons, in whose employ he remained until he went into business for himself. On April 17, 1911 he was united in marriage in Grayling to Lena Peterson and their home was blessed by five children, one of whom passed away in infancy.

Nine years ago he left for Oxford where he engaged in the lumber and coal business and where the family remained until three years ago when they moved to Grand Blanc. While at Oxford he had also operated a lumber and coal yard at Grand Blanc, but disposed of the business at the former place continuing the business at Grand Blanc.

During his boyhood days in Grayling he was generally known as "Jimmy" and by which name he was still called by his best and most intimate friends. He was a bright, and industrious young man and made a success of everything he attempted. His thorough knowledge of the lumber business, industrious habits and honest methods brought him signal success and many warm friends. He passed out of this world on his 41st birthday—only in the prime of life. He left this life with a record of achievement and a mark of fine manhood, loved by those who were near and dear to him and by a large number of sincere friends.

Surviving are his wife and four children—Ray, Clayton, Ruth and June, his father, John Olson and one sister, Mrs. Andrew Smith both of Saginaw and one brother H. P. Olson of Detroit. Those from Grayling who left to be in attendance at the funeral were Mayor Hans Petersen, father of Mrs. Olson, Mr. and Mrs. Earl W. Dawson and family, who were joined here by Victor Petersen of Gaylord. The funeral is being held this afternoon at Grand Blanc with interment at that place.

## PLAN BETTER WATER FOR CAMP GRAYLING

Soldiers who attend encampments at Camp Grayling in the years to come will have the convenience of better sanitary conditions and a better supply of drinking water. Col. Edward D. Rieck, state sanitary engineer, recently announced that he will start on the new project as soon as the present encampment is over, Sept. 1. A new and modern sanitary system will be installed and the present water system will be amplified and improved. Plans for the work have already been let.

## POLITICAL ANNOUNCEMENT

To the voters of the 28th Senatorial District. I respectfully announce my candidacy for the office of State Senator of this district to be nominated at the Primary election on September 4th. If nominated and elected I will at all times be on the job in Lansing.

TONY ACHARD,  
Clare, Mich.

7-12-tf.

## FAMOUS PACER WILL TRY TO BREAK RECORD AT STATE FAIR

An attempt by Gratian Bars, the famous Canadian pacer, to break the State Fair Track mile pacing record of 1:59 1/2 will be made on Wednesday, September 5, Governor's Day, during the five-days racing program at the Fair, according to Fair officials. Five afternoons of racing, from Monday to Friday inclusive, will bring some of the most famous horses and drivers from all over the country during State Fair week, September 2-8.

Gratian Bars, whose owner, Fred Throver, of Keweenaw, Ont., is said to have refused \$100,000 for the horse, has already won three Derbies in succession, and is so fast he will not be entered in competition with the other horses on the program, but will be driven by Vic Fleming, veteran race horse driver in a special effort to break the Fair track record.

Of special interest to the thousands of women visitors at this year's fair will be the exhibits in the Department of Domestic Economics, under the direction of T. H. Broughton, of Lansing. Here every opportunity will be afforded the housewife and others interested in the home preparation and preservation of foods. A total of \$670 will be offered in this competition, which will be offered to Michigan women only.

Entries for this department will close on Monday, August 27. All articles for exhibition in the various departments of home economics must be strictly homemade, and the work of the person entering the exhibit. The entries must be in place by 6 p. m. on Saturday, September 1, and must not be moved before the close of the fair on September 8 without the permission of the superintendent.

Among the classes open for entries will be home-baked goods of all kinds; candy; canned goods; dried fruits and vegetables; preserved meats; jams and jellies of all kinds; pickles and miscellaneous home products such as maple sugar, home-made soaps, vinegars and salad dressings. There will also be a special sweepstakes class, featuring the best general display of home products made by one woman.

In an effort to make this year's Better Baby Contest the most comprehensive in the Fair's history, Michigan will be combed its length and breadth for the most perfect baby, between the ages of one and three years. The contest will be under the direction of Dr. Guy L. Kiefer, State Health Commissioner, with Dr. Lillian R. Smith in charge.

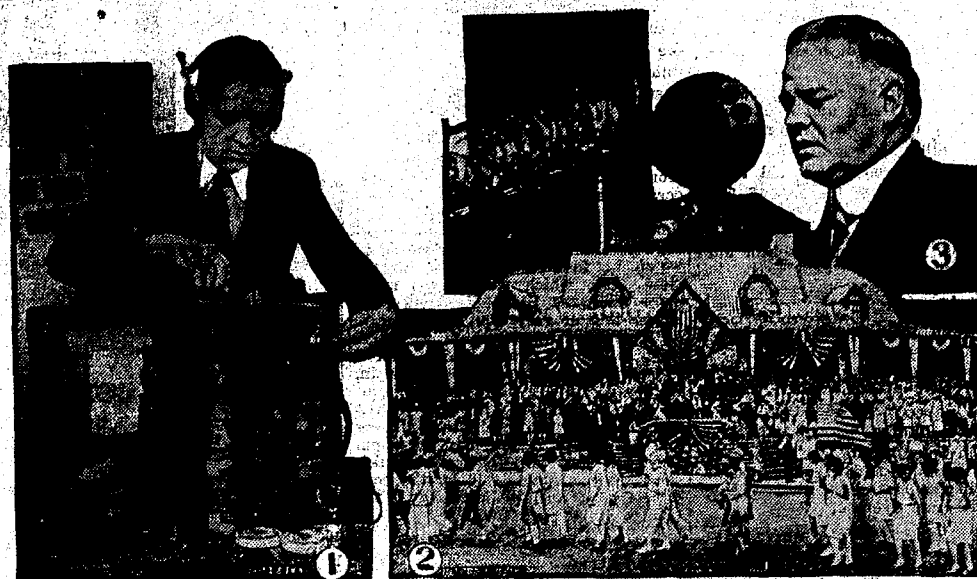

Through the contest the Fair officials aim to increase the health and strength of the babies in the state, through the scientific examinations and health advice given during the contest. Entries will close on Saturday, September 1, and entries can be made either by mail or in person. Blankets which will be furnished on application to the Fair office here. Examination of babies will start Monday, September 3 at 10 a. m. and awards will be announced on Saturday, September 8 at 11 a. m. First, second and third ribbons will be awarded winners.

During the fair two novel contests will be held, for the State Champion Horseshoe thrower, under the rules of the National Horseshoe Pitchers Association, and a contest for the State Champion Old Fiddler. The entrants for the Fiddler's contest must be over 60 years of age and the contest will be held at the band stand in the grove on Wednesday, September 5, at 3 p. m. Walter Palmer will receive entries in the Fiddler's Contest at the State Fair office up to 6 p. m. on Saturday, September 3. No entry fee will be charged.

## COMING

Dr. A. S. Allard, optometrist of Bay City will be in Grayling at Shoppenagons Inn, Tuesday Sept. 4. Now is the time to have school children's eyes examined, glasses fitted that give results at reasonable prices. Cross eyes, strabismus without surgery or knife. Remember the date, Tuesday, September 4.

Dr. A. S. Allard, Optometrist.

1—Francis M. Baer, who has resigned his position with the radio laboratory of the bureau of standards to become radio operator with the University of Michigan expedition to Greenland. 2—Parade of women and girls at unveiling of tablet, a mile underground, to the war dead of Luray, Va. 3—Herbert Hoover before the "mike" delivering his speech of acceptance.

## GUN CLUB GIVING TWO-DAY SHOOT

MANY OF MICHIGAN'S CRACK SHOTS TO ATTEND—SEPT 2 AND 3

Grayling Gun Club will initiate their new shooting grounds and club house on Labor Day and Sunday the day before, by giving a two-day shoot, at which time scores of Michigan's crack shots will participate.

This will be a registered shoot, and given under auspices of Northern Michigan Trapshooters League, of which Grayling Gun club is a member.

## Program of Events

The big program will begin at 10:00 o'clock sharp on Sunday, September 2nd, and will start off with four events of 100 yard targets.

Trophies will be divided into four classes—Lewis class. Four suitable trophies will be awarded each class. An added trophy of one dollar will be awarded each of the ten lowest scores, on total scores. A red target will be thrown to each squad, which pays \$1 if dead. All ties will be decided by the reverse score system.

50 Target Distance Handicap. Another attractive event will be the 50 target distance handicap. Trophies will be awarded for 1st, 2nd and 3rd on the total score.

## Labor Day Program

The Labor Day program, which also will begin at 10:00 a. m. sharp, will consist of a 100 yard distance handicap, with four events. Some substantial cash prizes and trophies are offered in these events, which are certain to attract a large number of shooters.

A silver cup trophy is being offered by the Northern Michigan Trapshooters League, and can only be won by a member of the league.

This will be a registered shoot, given under authority of The Amateur Trapshooters Association, with headquarters located at Vandalia, Ohio, which has granted a certificate showing proper registration for the conduct of this shoot.

New Club House And Grounds. Carl Mickelson and other members of Grayling Gun Club have been working hard to have in readiness their new shooting grounds and club house. This is located off the lake road about 1 1/4 miles west of Grayling. The road entering the grounds leaves M-93 just before reaching the first turn in the road after crossing the bridge.

There will be three modern traps installed, and the range is much superior to that of the former grounds, giving a much clearer vision for the shooters.

The club house is cozy and comfortable, and includes a culinary department where meals will be served upon the days of the shoot. Mrs. Bohnmeyer will have charge of the lunches, which means good eats.

## Grayling Shooters Invited

Grayling shooters are urged to participate in these events. Mr. Mickelson says he is anxious that Grayling makes a good showing. There is going to be plenty of opportunity for medium class shooters as well as the most skilled. Spectators too will be welcome.

## DIPPING INTO SCIENCE

### The Dog's Jungle Hang-Over

The reason a dog turns around several times before lying down is said to be because his ancestors found it necessary to do so. The dog, being a domesticated animal, is a survivor of wild forefathers that lived in jungle-grass. If they wanted a comfortable bed they had to turn around several times to level the grass. Today's dog goes through the same process instinctively. (By 1928, Western Newspaper Union.)

## Michelson Memorial Church

John Wilfred Greenwood, Minister

August 26th, 1928

At 10:30 a. m. the pastor will speak on the theme "The Different Road." We quote some of the thoughts suggesting themselves to our minds. "The tragedy of life does not lie in pain, nor poverty, nor old age. It is in man's failure to his friends." "We put on big financial drives in the last war with the result that we killed many men. How much money are we investing in the larger and more humane task of saving life?" "Our country is because all countries are." "What Woodrow Wilson did with force will crumble. What Wilson did in the realm of the spirit will endure." "Facing every child, there are many roads with the lure of the far horizon about them. There is only one road and that leads us on and up into the light of the Eternal City—that City whose citizens wear robes made white in the blood of the Lamb."

At 8:00 p. m. the pastor will again speak on the subject: "Doing big things in a small place." So many people think they have to live in big places to do big things. Jesus came and dwelt in Nazareth. And going out from Nazareth, He became the Savior of the world.

## TOP O' MICHIGAN POTATO SHOW

The Top O' Michigan Potato Show Association has secured the services of Professor E. V. Hardenburg of Cornell University, Ithaca, New York, as the judge of potatoes at the Sixth Annual Show this fall, according to A. C. Lytle, Secretary of the Show.

Professor Hardenburg, who has charge of the potato work in New York, will be remembered by many as the judge of the Third Annual Show in 1925. His satisfactory work at that time has prompted the officers to ask for his return this year. Professor Hardenburg will be assisted this year by Professor Martin of New Jersey and Professor Moore of the Michigan State College.

The Show this year is expected to surpass that of last year when a new record in number of exhibits and attendance was made. Many new exhibitors are now planning to send potatoes. Many of these new exhibitors will be from the four new County members of the Show: Kalamazoo, Crawford, Oscoda, and Alcona.

The Show will be held in Gaylord October 31 and November 1 and 2.

A. C. Lytle.

## VILLAGE TAXES DUE

I am ready to collect taxes for the Village, and may be found at my store every day from 9:00 a. m. to 8:00 p. m.

HERLUF SORENSON, Village Treasurer.

## FEW SHOW SYMPTOMS TUBERCULOSIS

Active or suspicious cases of tuberculosis were diagnosed in five of the patients who attended the free chest clinic conducted in Grayling on Aug. 13 and 14 by the Michigan Tuberculosis Association.

One of the patients was found to have an active case of tuberculosis. Four were diagnosed suspicious, the clinic doctor advising them to return to the next clinic for a second examination.

The clinic was financed by the annual sale of Christmas seals in which the residents of Crawford county participated.

Dr. C. W. Town, the examining physician, expressed himself as well satisfied with the findings of the clinic.

"The cooperation we received from local agencies, particularly in sending in contact cases, was very gratifying," he said. "We find in all our clinics that people are realizing more and more that the only safe thing to do, if they have been exposed to tuberculosis, is to have a frequent checkup made on their condition."

Those patients having cases of tuberculosis were advised either to enter a sanatorium or to take treatment at home, depending on the seriousness of their condition. Patients in both groups were referred to their family physicians for further advice and treatment.

Miss Ruth Eldred assisted at the clinic.

## ACTIVITIES OF CONSERVATION DEPT.

Lansing, Aug. 20.—Completion of a truck garage and storehouse at Mio for the use of Michigan's forest fire fighting forces in District No. 10, comprising Alcona, Iosco, Ogemaw, Oscoda Counties, is predicted for this fall by Chief Fire Warden Andrews. The garage will be used to service Department of Conservation trucks that operate in these counties.

The Department purchased the Au Sable branch of the Detroit and Mackinac railway when permission was given for abandonment. Many of the station buildings were sold but sufficient lumber has been salvaged for use in building the structures at Mio. All the telephone line owned by the company along this right-of-way was included in the purchase and the price paid for the entire property and buildings would not have constructed this valuable communication link. It is used by the fire wardens in the protection of their districts.

Lansing, Aug. 20.—Three large sign boards, 12 feet by 25 feet, cautioning tourists about the use of fire in the forest fire danger zones are to be erected at vantage points in the Upper Peninsula. One will be placed near St Ignace, at the corner of the Mackinac Island road and the third just west of Ishpeming. The boards, while they will be partly to attract attention, will present scenes of forests that will not offend the eye.

Lansing, Aug. 20.—The Department of Conservation will sponsor a wild life show at the State Fairs at Detroit, Grand Rapids and Escanaba, and a number of the larger county fairs this fall. P. J. Hoffmaster, Superintendent of State Parks, is to supervise the placing of exhibits. The exhibit will be an educational project, giving state citizens an idea of the scope and nature of the work the Department is doing.

Lansing, Aug. 20.—Many fishermen are encountering legal grief through the use of perch as bait this season. Reports of cases coming into the Conservation Department indicate that a larger number than the average yearly toll, have been accused this season. F. A. Westerman, Sup't. of Fisheries and head of the Fish Division, believes that the law is broken through ignorance on the part of the fishermen rather than through disobedience. The statute provides that minnows of the common variety, including chubs, shiners, suckers, dace and stoneroller minnows, may be used for this purpose but all game fish are protected.

In some instances the bait boxes have shown 100 per cent perch while in others there have been several minnows that might be used legally mixed with perch. Superintendent Westerman desires to caution fishermen about this practice which seems to be growing. Prosecution is sure to follow if the angler is caught violating the law.

Lansing, August 21.—Moose and beaver are plentiful on Isle Royale, according to Hugh E. Green, Chief Conservation Officer, who has just returned from a visit to this island in Lake Superior. During his trip, Mr. Green saw 23 moose and he reported that beaver were so numerous and tame, particularly around the southern end of the island, that they swam around the boat in which he was a passenger.

The trip was made in the interest of improving game conditions, as it has been reported that the coyote population is reaching the point where almost any sort of wild life depredation may be expected. Steps will be taken to counteract this menace.

Deer, Mr. Green said, seem to be

## FREDERIC NEWS

Mr. and Mrs. Wilford Cameron of Pontiac visited relatives here last week.

Sanford Charron was attending school at Gaylord last week. He is the only one from Crawford County, so his chances are good for a State Fair trip.

Will Lewis is here bringing his mother home from Saginaw last Monday. His daughter, Miss Winifred, who has been taking a vacation here the last two weeks, will return with him.

Rev. Earle has made a great improvement in the appearance of the church and parsonage by a new coat of paint. He and Sidney Barber will attend the West Michigan Conference at Augusta, on Gull Lake next week.

Mrs. Eli Forbush is at Rosecommon with her daughter, Mrs. Sheppard. John Parsons of Rogers City has sent out arrival notices of a son, John Rogers by name whom they intend to make a salesman in the meat market later on.

Mrs. Ray Hopkins is still detained here by the boy's arm which is doing nicely with treatments at Gaylord.

Mr. and Mrs. Corydon Forbush are visiting at Lansing this week.

Mrs. John Burke returned from the south part of the state last week bringing her son from Toledo with her.

John Armstrong and wife from Little Rock are here calling on old acquaintances, also Miss Emma and Alfred Armstrong's family.

Mrs. Gilbert Cramm and family have gone to Detroit where they will take Horace Greeley's advice and grow up with the city.

Mr. Will Johnson and sons have a small factory with stencil saws making some very pretty souvenirs, getting orders from Mackinac Island and other places.

Rodney Cameron and wife of Detroit and Mrs. Charles McCullough of Grayling who lived here 30 years ago were callers last week at the old homestead, after a drink of good water.

## LOVELLS NEWS

Miss Emma Louise Pochelon is entertaining Miss Elizabeth Fredericks and Miss Elizabeth Gettings from St. Louis, Mo. The three motored up from Detroit on Friday.

Mrs. O. B. Marx and son Oscar of Detroit who have been spending some time with Mrs. Brandstetter went home Sunday.

Floyd Lawton of Manton spent the week end as a guest of Miss Cora Nephew.

Mr. Joe Shannon is the guest of Julius Pochelon.

Mr. and Mrs. Bernhart Mundt and children who have been visiting Mr. and Mrs. Joseph Duby, returned to Saginaw Sunday. Mrs. Duby returning with them for a short visit.

Ray Duby was a Grayling caller Tuesday.

Mr. and Mrs. John Besemer and young son are visiting the Pochelons. Mrs. Jessie Kuehl and daughters, Miss Helen Kuehl and Mrs. L. McGown have left the "Cabin" and returned to Saginaw.

Mr. and Mrs. Alfred Nephew and Mr. and Mrs. Francis Nephew spent Sunday at Mio.

In the minority. He saw very few specimens, but observed one caribou scampering over the rocky country. The island is growing in popularity as a resort. There are numerous cottages and three hotels in operation.

the Act of Congress of March 3, 1919.

THURSDAY, AUGUST 23, 1928

EDITOR TELLS 'EM WHERE TO  
GET OFF

Editor Vernon Brown, of the News,  
Mason, who is a candidate for the  
legislature, received a questionnaire  
from the Anti-Saloon league to which  
he replied as follows:

3rd. If nominated and elected to  
office will you support and vote for  
such legislation as experience may  
show to be needed in order to secure  
a better enforcement of existing pro-  
hibition laws and as may be agreed  
upon by the recognized dry leaders  
in the Legislature?

This question is answered by ask-  
ing another. Recognized by whom?  
If you mean the paid agents of the  
Anti-Saloon League of Michigan,  
then my answer is no. If it is meant  
to inquire if I am in favor of a  
strict observance and strict enforce-  
ment of the prohibition and other  
laws, then my answer is yes. I yield  
to no man or group of men in my  
regard for law observance.

The great trouble with some people  
is that they are so small minded that  
they become radicals on certain mat-  
ters, and can see things only from  
one narrow point of view. And, as  
some publishers maintain in the case  
of the Anti-Saloon League workers,  
if the profit was taken out of it, it  
would soon quit functioning. Editor  
Brown was just right in his reply.  
He is in favor of prohibition but he  
doesn't intend to be dictated to by a  
group with unrecognized authority.  
He and any other candidate for office,  
we believe, would be justified in tel-  
ling this outfit that "It is none of their  
business" in reply to their third ques-  
tion.

## EDITORIAL PARAGRAPHS

The notification speeches of the  
various candidates are a good deal  
like the opening address which the  
lawyers make to the jury.

Frank H. Simonds, noted writer of  
international politics, says that Eu-  
rope is opposed to the election of Mr.  
Hoover because it feels he would not  
be in favor of cutting down the Eu-  
ropean debts. It is doubtful however,  
whether Mr. Hoover's views on this  
subject will lose him many votes in  
the United States where the votes  
count.

It is said that Uncle Sam made  
more profit out of the Tunney-Ho-  
over fight than the promoters, which  
isn't such a bad idea after all.

"Smith Sweep Seen in South Caro-  
lina," says a headline in the New  
York Times. Well, it will be pretty  
difficult to get anybody excited about  
that.

One crop which never seems to fail  
on campaign years is the one out of  
which they make appeasement.

One way you can always get a  
little publicity is to announce that  
you have deserted the old band  
wagon and joined the opposition  
party.

Third party movements this year  
seem to be about as popular as long  
skirts.

Read your home paper.

Eleanor and Helen and their guest,  
Miss Doty motored to Traverse City  
this morning.

William Overbeck returned to his  
home in Evanston, Ill., Friday after  
being the guest of Esbern Hanson, Jr.  
for several days.

Mrs. C. R. Koyport, daughter Jane  
and Mary Esther Schumann left  
Wednesday morning to spend a few  
days in Bay City.

Mr. and Mrs. Alfred Larson and  
family and the former's sister of  
Johanneburg have been spending  
several days at the Alfred Hanson  
cottage at Lake Margrethe.

Supt. and Mrs. Rolland Bogus ar-  
rived in Grayling the last of the week  
from Ypsilanti and are nicely domi-  
ciled in the Mrs. Rose Bathoff home  
on Michigan Avenue.

Van Stuart of Flint was in the  
city over the week end visiting  
Charles Millar at Mercy Hospital.  
However the latter has been dis-  
missed from Mercy Hospital, where he  
had been a patient as the result of  
injuries received in an auto accident  
a couple of weeks ago. William  
Pochelon who was also injured at the  
time is still at the hospital.

Mr. and Mrs. Charles Wilber are  
enjoying a visit from their grand-  
children, Mary Jane, Gwendolyn  
Helen and Betty Jean Wendt of Bay  
City, who accompanied them home  
last week.

## "INSIDE" INFORMATION

When little girls' dresses are not to  
have matching bloomers, make them  
two inches longer than you would  
otherwise, and they will look better.

Bread and milk together are good  
food, and bread made with milk is  
more nourishing than bread made  
without it. Dried or evaporated milk  
may be used in bread if a fresh supply  
is not available.

Thick lamb chops may be seared on  
each side and on the edges in the  
broiling oven or a very hot skillet,  
and the broiling finished in the oven.  
They should always be served piping  
hot, so it is necessary to have all  
the other dishes of the same meal  
ready when the chops are done.

A large number of stains can be  
removed by water without harm to  
the fabric if handled promptly. Un-  
less the stain is known to be in-  
soluble in water and the fabric water-  
proofed, or runs, it is best to try  
water first. Test the effect of water  
on an inconspicuous part of the  
garment.

Put meats that have to be carved  
on platters large enough to give the  
one who carves free play. Never  
place potatoes or other vegetables  
around a roast if they are likely to  
be cut by the carver or pushed off  
the platter. Garnish the meat at-  
tractively with parsley or watercress  
or lettuce leaves, and serve the vege-  
tables by themselves.

## YOUR HEALTH ON YOUR TRIP

By Erwin Greer  
(President Greer School of Electric-  
al & Automotive Trades, Chicago Ill.)

One of the greatest truths in the  
world is conveyed by all to be that  
when big hearted outdoor-loving men  
and women go to the mountains, the  
lakes, the desert or the woods they  
are going into God's own country  
where kindly Nature will smile upon  
and protect them, and if they do not  
fare well it is probably on account  
of a too prolonged stay in the stuffy  
steamheated office, or of shattered  
nerves and lowered vitality, the re-  
sult of dodging traffic and crabbing  
about it.

By the way of 'things to avoid,  
let your natural instinct guide you.  
It will tell you not to do rash things,  
the foremost of which is picking and  
eating unknown fruits and vegetables  
along the highways. Another great  
factor that has always meant every-  
thing in the success of a trip of this  
kind is to remember only one date,  
the one of your arrival home. Don't  
have any appointments and don't  
make any. Follow only your inclina-  
tions—eat, sleep, fish, hunt, travel  
and loaf until you have had enough  
of each—then start all over again  
if you feel like it.

By way of honest-to-goodness in-  
formation I am going to tell you the  
names of eight articles that have  
always made up the medical kit on  
all the trips I have made by motor,  
train or foot power on any kind of  
a trail and at any season: One-half  
ounce tincture of iodine; one ounce  
carbolic acid; three gauze bandages;  
3 in. by 10 yds.; one pair of scissors;  
one tissue forceps or tweezers; three  
ounces of Rochelle salts; one bottle  
vaseline.

Any kind of wound, whether  
caused by fish hook, gun powder or  
a slide down an embankment, can be  
cleaned of large particles of foreign  
material with the forceps. Bathe it  
well with a mixture of one teaspoon-  
ful of carbolic acid to a pint of water  
(preferably warm). Then drop just  
enough iodine on it to cover. Apply  
bandages and fix with adhesive  
plaster. As a general precaution,  
take a tablespoon of Rochelle salts  
(in water) to stimulate elimination  
in case an infection develops. Burns  
are very common accidents and the  
pain of them will instantly stop upon  
anointing with vaseline.

Fortunately, however, clean living  
in the open is conducive to better  
resistance and the very rapid healing  
of ordinary wounds. Avoid using river  
water for any purpose if you can get  
some from a well or clear spring.

CENTRAL STATES  
NEED ST. LAWRENCE  
WATERWAY

Election of Herbert Hoover is nec-  
essary to insure completion of the  
negotiations looking toward construc-  
tion of the Saint Lawrence seaway,  
because Governor Smith is a bitter  
foe of the plan, Governor Fred R.  
Zimmerman of Wisconsin declares in  
a statement printed in the Christian  
Science Monitor.

In the face of Mr. Hoover's con-  
tinuous effort to advance the project  
from one stage to another, the Dem-  
ocratic candidate for president con-  
sistently has opposed it. The last  
time he did so was in his annual mes-  
sage to the New York legislature in  
which he favored the route across  
New York which would cost much  
more than the Saint Lawrence, be-  
longer and of very doubtful value.

If the northwest wants a water-  
way, it doesn't want Smith, and I  
cannot imagine farmers in Wisconsin,  
Michigan, Illinois, Iowa or Minne-  
sota supporting Smith in view of the  
fact that they are aware that Hoover  
and not Smith is the man to whom  
they can look for the relief which  
would be made available by the con-  
struction of such a waterway," the  
Wisconsin governor said.

DIPPING  
INTO SCIENCE

## Male Mosquito Has Radio

You need not fear the male  
mosquito for he is quite harm-  
less. He does not bite, neither  
does he sing. He lives entirely  
on vegetable matter. He pos-  
sesses no ears but has a radio  
all his own in his feathery an-  
tennae which picks up sound  
waves and enables him to thus  
enjoy the singing of his female  
companions.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO.

Thursday, Aug. 24, 1905

Mrs. Maude Malafant is home from Chubbagan for a visit, at grandpa Robinson's.

O. B. Shook and wife went to Saginaw last Monday for a rest and visit with their old friends.

Fournier's Drug store is being entirely refurnished with side case and counters, making it an up-to-date, inviting saleroom.

Mr. and Mrs. A. E. Evans, who have been the guests of their sister, Mrs. W. M. Woodworth, this summer, returning to their home in New York yesterday.

Miss Williams has gone to her old Tekonsha home for a few days, and from there will visit the eastern cities to select her millinery stock for the fall trade.

The "Pioneer Store" of Saffling, Hanson and Co., is so rejuvenated by new side cases and glass counters as to be hardly recognized. There are few stores in the state (better equipped).

E. Davis and Jas. Ball with their wives took their vacation last week, fishing on the North Branch. Their car is sidetracked at Lovells, and they seemed to be enjoying life, and fish.

Telegrapher Harry Johnson was home over Sunday. He has just been sent over the L. S. line to Buffalo to learn the double order system which we understand is to be the standard of all lines.

Do not imagine that L. T. Wright is dangerously ill on account of his

woebegone expression. Mrs. Wright has been visiting her sister in Pennsylvania for the past three weeks, and will probably be gone for a month longer.

Geo. Stow of Big Rapids, Lester John Heesler of Tecumseh, and Chas. A. Canfield of Bay City, W. S. were guests of Fred Michelson, last Friday evening. Charlie remained over Sunday, shaking hands with old friends.

Salling, Hanson and Co. have spread a carload of crushed stone in front of their store and office, for an experiment. It is expected that this will make a solid and smooth road, if so, that the village will use the same for the improvement of our streets.

Highway Commissioner Charles Robinson was doing some surveying through the brush at Portage Lake Monday morning, carrying an axe on his shoulder, when he caught his foot in some way and fell. The axe cut a severe gash over the ear, severing an artery which let out enough blood to make him look sick before it was checked.

A flying trip to Lovells last week gave us a chance to look over the town. The mill of T. E. Douglas & Co. was running, and as busy a place as one would wish to see, as it put out lumber, lath, staves and shingles, of which there is a fine stock in the yard. At Douglas's store, we found Ray Owen behind the counter distrib-

uting goods like a veteran. A large general stock is carried, and they have a fine trade from that part of the county which is forging to the front as an agricultural section.

William G. Woodfield went to Mt. Clemens Tuesday to see if he could get rid of his rheumatic troubles with which he has suffered of late.

The long distance telephone office is moved from the express office to McMillan's restaurant.

H. Joseph is not satisfied with a trout less than 18 inches in length and this week brought in a pair of rainbows almost 20 inches.

Mr. Warren Frances and family of Mason are visiting his parents, Mr. and Mrs. J. K. Bates and also his sister, Mrs. H. A. Pond and other relatives.

It is announced that a deal has been closed between the Michigan Central and the executors of the Ward estate, whereby the M. C. acquires ownership of the Detroit & Charlevoix railroad. The Ward estate gave the M. C. an option on the property sometime ago, which has recently been accepted and details of transfer are now being arranged. This means the extension of the D. & C. to Charlevoix at once.—Cheboygan News.

Champion Fish Story. While fishing for bass in the Rifle river below the Omer dam last Sunday, Chris Gorie hooked a pickerel weighing twenty-one pounds and five ounces. It girthed 17 1/2 inches and was 39 1/2 inches in length. It took two hours before he succeeded in landing him, and what makes the performance more remarkable was that a light steel rod and No. 20 silk trout line and a No. 4 troll was used.—West Branch Herald.

Following is the list of Jurors drawn for the September term of the Circuit Court:

Frederic—Chas. F. Kelley, George Colleen, Henry Ensign, L. J. Gaes, Norman Fisher.

Maple Forest—W. C. Johnson, Jos. Simms, Edgar Wilkinson, William S. Chalker, B. F. Sherman.

Grayling—Henry Nolan, Carl Wilson, Olaf Sorenson, Julius L. Larson, John Stephan.

Beaver Creek—L. B. Merrill, Ray Skingley, Wm. Hatch, Henry Ashenfelter.

South Branch—Jos. Scott, Frank Gregory, George Hickey, C. E. Kellogg, Chas. A. Cook.

## Inside Information

A mint flavored gelatin is appetizing with cold lamb. Sliced cucumbers may be placed in the bottom of the mold.

Each child's costume should have at least one pocket. If pockets on the dress spoil the design or if they cannot be used because of plaits or some other feature, make one in the bloomers.

Make both bloomers and dresses for little girls large enough to allow for wide tucks and hems to be let down when the material shrinks and the child grows. A tuck in the bloomers on a level with the lower end of the plackets will not show, nor will a wide tuck in the underwaist of a two-piece dress. Instead of stitching these allowance tucks just once, stitch them every half inch of their width with a moderately long loose stitch. Each time a stitching is ripped out one inch is added to the length.

Watch your posture while at various household tasks. Keep your back straight and bend from the hips. Do not slouch in a chair while sitting at work. Sit well back in your chair. If your tables, sinks, tubs, and other surfaces where you work a great deal are not the right height and cause you to stoop over, see whether they could not be raised. It pays even to have plumbing fixtures raised when necessary to save fatigue.

## Keep cool and well

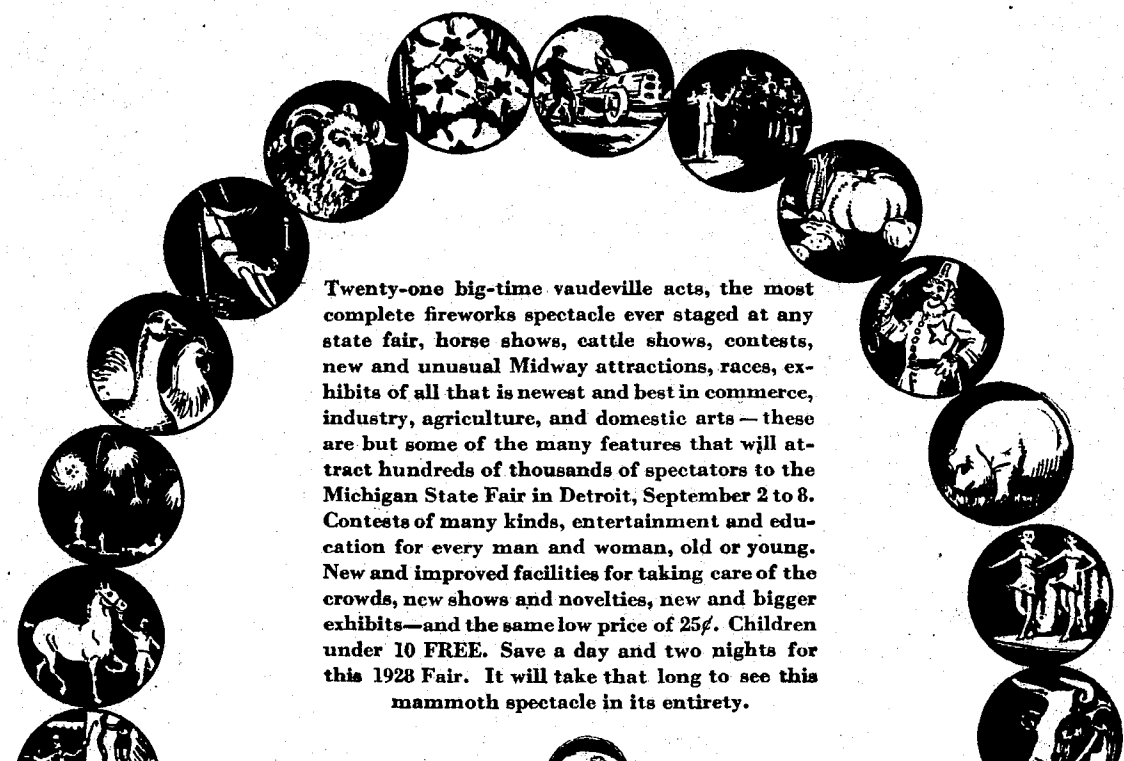

Heat bothers people who are not in best health. Keep your body strong and your mind clear and active these days by eating light, easily digested foods with plenty of roughage. Shredded Wheat has all the bran you need. Its toasted shreds of whole wheat are easily digested because they compel chewing—and are so good that you want to chew them anyway!

Serve Shredded Wheat with milk and peaches or berries. Everyone will like it—and it's good for them.

Made by The Shredded Wheat Company at Niagara Falls Visitors Welcome

# THE BEST SHOW YET

Twenty-one big-time vaudeville acts, the most complete fireworks spectacle ever staged at any state fair, horse shows, cattle shows, contests, new and unusual Midway attractions, races, exhibits of all that is newest and best in commerce, industry, agriculture, and domestic arts—these are but some of the many features that will attract hundreds of thousands of spectators to the Michigan State Fair in Detroit, September 2 to 8. Contests of many kinds, entertainment and education for every man and woman, old or young. New and improved facilities for taking care of the crowds, new shows and novelties, new and bigger exhibits—and the same low price of 25¢. Children under 10 FREE. Save a day and two nights for this 1928 Fair. It will take that long to see this mammoth spectacle in its entirety.

SOUSA and his BAND

The world's most famous military band under the personal direction of John Philip Sousa who celebrates his 50th year as a conductor in 1928. Special Sousa concerts Sunday, September 2nd, and every day of the fair. Here's your opportunity to see and hear Sousa for 25¢.

Detroit SEPT 2-8

## MARKED TREND BACK TOWARD FARM

(By E. M. T. Service)  
As an indication of the trend back toward agriculture C. H. Ridgley, cashier of Whittemore Bank, states that since January eight farms have been sold in two townships in Isosco County. These sales, were good ones and were not made on shoe strings, Mr. Ridgley says. Mr. Ridgley maintains that there is a decided reinvigoration sentiment toward agriculture during the past few years and that present indications are that this trend is going to be given a decided emphasis in the next 12 months. Mr. Ridgley points out that the township or county which consistently adds new agriculturalists to its tax roll is making an emphatic and permanent advance economically.

**Ancients Did Good Work**  
A sewage system which would compare with any in use today was laid in Crete 2,500 years before Christ.

**PRIMARY ELECTION**

# AGRICULTURAL NOTES

## TIMELY SOWN WHEAT SWATS HESSIAN FLY

East Lansing, Aug. 20.—Serious damage from the Hessian fly can be avoided this fall if Michigan wheat growers will plant wheat at the "fly-free-date."

The entomology department at Michigan State College explains that the Hessian fly produces two principle generations each year in Michigan. The fall generation lays its eggs on wheat recently seeded and spends the winter in the pupal state. The adult flies emerge in the spring and lay their eggs on the wheat as it begins to lengthen out in May. The larvae or maggots from these eggs change to puparia just before harvest time. It is during this period of growth that the Hessian fly injures the wheat and causes much of it to fill poorly and to lodge.

Wheat may be sown so that it will come up too late for the Hessian fly to lay its eggs on the wheat, yet be planted early enough to avoid winter killing. This date is known as the "fly-free-date." It is based on weather observations covering a 25-year period and is calculated for each county of the state, for areas of both high and low elevation. Information concerning the "fly-free-date" may be obtained by writing the Michigan State College for Special Bulletin No. 122. The Hessian fly is increasing in numbers in the state and if wheat is sown earlier, less this fall, there is apt to be a larger increase next year, according to Prof. R. H. Pettit, entomologist.

## M. S. C. PLANS STATE FAIR STOCK EXHIBIT

East Lansing, Aug. 20.—Good breeding, proper breeding, and judicious selection of livestock will be the theme of the Michigan State College exhibit in the Coliseum at the state fair at Detroit in September. In addition, a potato commodity exhibit will be housed in the agricultural building.

The livestock departments at M. S. C. are cooperating in staging the exhibit, which will portray recent experimental findings. Besides poultry, about 40 head of livestock will be used for models, including dairy and beef cattle, horses, hogs, and sheep. Beef-feeding experiments will be illustrated by two steers, one of which has been finished on ground barley, corn silage, and alfalfa hay; the other, on shelled corn, linseed meal, corn silage, and alfalfa hay. Three miniature farms will represent the exact acreage of crops required to finish 30 fattening calves.

Two lots of hogs will show that hogs can be fattened as economically in a small movable hog cot as in a large expensive central house. Yearling stallions will also be shown to represent the type of horse which should be used for a herd sire and the kind which should be made into a gelding.

Weeding and feeding will be portrayed in the dairy cattle exhibit, stressed in the sheep portion of the exhibit. Careful versus careless management of the farm flock will be depicted by poultry representing both types.

## PENNSYLVANIA POTATO GROWERS TOUR NORTHERN MICHIGAN

(By E. M. T. Service) All arrangements have been completed for the tour of the 200 Pennsylvania potato growers into Northern Michigan August 21, 22 and 23, according to O. B. Price, agricultural agent, Michigan Central Railroad. The tour is of an epochal character as it is the first time in the agricultural history of Michigan that a group of potato growers has ever visited the state on a mission of this kind.

The visitors and their hosts during the 3 day pilgrimage in Michigan will probably constitute as prosperous a group of farmers as could be gathered anywhere in the country.

Represented in this group of Pennsylvania farmers are men who have been purchasing Michigan seed potatoes since the beginning of the culture of potato seeds in Northern Michigan seven or eight years ago. The excursion is the result of the financial satisfaction experienced by their use of Michigan seed potatoes and a desire on their part to see Michigan potato fields and become acquainted with those farmers from whom they purchase.

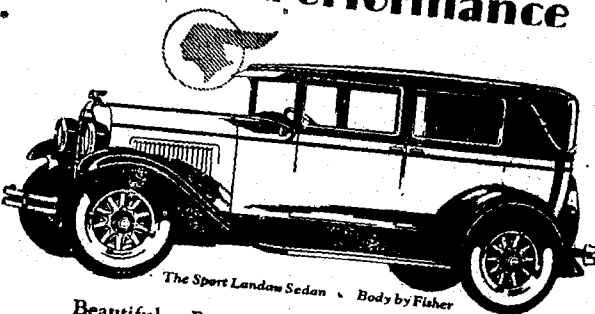

The Pennsylvania farmers are coming over the Michigan Central in 10 Pullman cars. The excursion was arranged by E. J. Leenhouts, general

## 400 "Extra Dry" SHELL Gasoline

Shell Gasoline is EXTRA DRY... unusually free from heavy, greasy, carbon-bearing elements. It vaporizes completely, ignites instantly, burns cleanly, leaving no unburned residue to dilute the oil in the crankcase. It is a quality product... alive with power... more expensive to produce, but costs you no more than the ordinary kind.

CRAWFORD AYALANCK, GRAYLING, MICHIGAN THURSDAY, AUGUST 23, 1928

Agricultural agent of the New York Central Lines, West, and R. C. Bennett, of Alba, president of the Michigan Potato Producers' association. The farmers enroute will stop at Detroit on the afternoon of Tuesday, August 21, for a sight-seeing tour of Detroit and a visit to the Ford Motor plant. They will have breakfast at Alba Wednesday morning and will make a tour of the potato fields as guests of the Michigan Potato Producers' association. They will be guests at dinner of the same organization in the evening.

The Pennsylvania farmers will arrive at Cheboygan Thursday morning, August 22, where they will be guests of the Cheboygan chamber of commerce. After breakfast they will go to Mackinaw City and visit Mackinac Island in the morning. They will arrive at Gaylord about 1:00 o'clock in the afternoon where they will be with him and tried to buy one in a section and later will convene at the Otsego Lake State park for games, contests, etc. They will be picnic this friend the visitor borrowed a

## COURTESY AND SERVICE TO TOURISTS PAY

(By E. M. T. Service)

Courtesy and service to the tourists and resorters are never-failing state treasury, and another \$4,000,000 deficit in highway funds when he took office, Governor Fred W. Green rounded out his first fiscal year as governor, with the highway deficit turned into a surplus of \$4,376,000, and a substantial surplus in the general fund of the state. This was brought about by demanding the strictest economy in all state departments, many of them operating at from 15 to 20 per cent under their legislative budget allowances for the year.

An example of the best kind of service possible was brought to the attention of the East Michigan Tourist association recently by a resident of Pontiac who with his own family and the family of a friend visited Long Lake in Iosco County. He engaged a cottage and then became imbued with a desire to fish. He had no raincoat and in the afternoon failed to produce a coat. The man from whom he rented the cottage interceded with a hardware merchant, and got it over with—Milwaukee

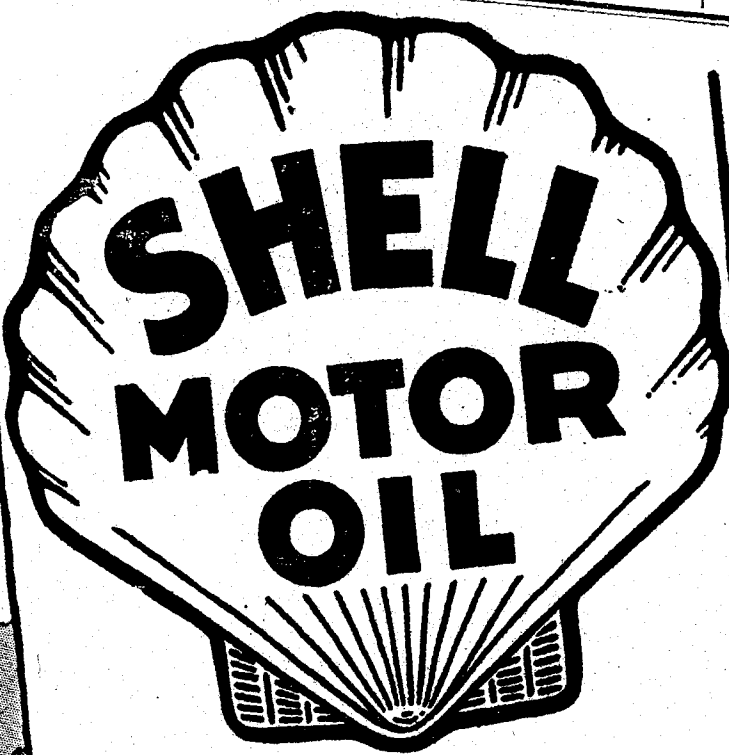

## Why They Step on It

Some people drive as if they were anxious to have their accident quickly and get it over with—Milwaukee

## Floating Dock Starts on Long Trip

The first section of the new 50,000-ton floating dock (the largest in the world when completed), being towed down the River Tyne in England on its 8,000-mile trip to Singapore in the Straits Settlements. It is being built for the British admiralty and is expected to be completed by November, 1928.

**Postpones  
that day  
of motor  
overhauling**

Change to Shell Motor Oil—use it exclusively—and forget about motor overhauling. Your motor will still be running sweetly when newer car fashions tempt you to trade.

A motor consistently lubricated with Shell Motor Oil seems never to wear out. It keeps running and running with tireless precision until changing styles and advanced engineering development make the car obsolete—and even then the motor is so good that the owner hates to give it up.

By adopting unusually liberal specifications—by selecting only those crude oils which are naturally adapted to lubricating purposes—by avoiding destructive heat refining—Shell Motor Oil has been given just the right body. It is thin enough to reach every moving surface instantly—thick enough to meet any emergency that may arise in modern high-speed motoring.

Buy your Shell Motor Oil when you buy your Shell Gasoline. Shell service stations and dealers are conveniently located everywhere.

Mrs. Elmer L. Lundstrum and children returned to Manistique Wednesday after a two weeks visit with her sister, Mrs. A. M. Lewis at Lake Margrethe. Miss Dorothy Campbell who had also been here left Tuesday for Long Beach, Calif., where she will teach this year.

Mr. and Mrs. Axel Nelson and family and Mrs. Nelson's parents and brother, all of Saginaw, who have been enjoying their cottage at Lake Margrethe returned yesterday to their home in Saginaw. The party had an accident on their way here cutting their vacation short.

Mr. and Mrs. Jens Sorenson and Mr. and Mrs. Jens Rasmussen of Chicago are resorting at Lake Margrethe occupying the James Jorgenson cottage. The party are here to attend the Danish convention that will be held in Grayling the last of the week. Mr. Sorenson was a former resident here some years ago.

George Patton, age 80 years old, passed away at the Crawford County Infirmary Sunday morning. Mr. Patton was born in Ohio, but with his wife, who survives him, have been residents of Grayling for many years. The funeral was held Monday morning at the Sorenson Brothers' Undertaking rooms.

Miss Hetty Balhoff of Saginaw and niece Rosemary Mahoney were in Grayling over Sunday, coming to accompany the former's mother, Rose Balhoff to Saginaw, where she will make her home with her daughter, Miss Hetty for the winter. Mrs. Balhoff has rented her home to the new superintendent of schools, Supt. Bogue.

Miss Eva Safford of Vassar, Mrs. Clifford Roberts and Mrs. James Stieler and two daughters, Helen and Marian of Wyandotte were guests at the T. P. Peterson cottage, Lake Margrethe last Wednesday and Thursday. Mrs. Peterson and children, and two nephews, Richard Ross of Orchard Lake and Carl Safford of Vassar accompanied the ladies on a trip to Mackinac Island.

Mrs. G. A. Kraus was hostess at a birthday dinner to honor her husband's birthday anniversary on Saturday with the members of the Kraus family as guests. G. A. Kraus and family come to Grayling from Chicago during the summer for their annual sojourn and make the celebration of Mr. Kraus' birthday an annual affair. They are occupying the McClain cottage at the Lake.

On account of inclement weather, plans for a luck party at the Sunrise Club Tuesday with Mrs. Axel Michelson as hostess, had to be changed and the guests were entertained at the summer home of Mrs. Ebern Hanson. Later however the sun came out so bright the ladies drove to the Club and finished with a pot luck supper at the cabin which made a very pleasant all-day party.

For the pleasure of her little granddaughters, the Misses Janet and Jean Wolff, Mrs. Herbert Wolff entertained all the youngsters on the beach at a lovely party Thursday afternoon. The children arrived in bathing suits and played in the water for some time, they then dressed up in their party clothes and finished the afternoon on the lawn of Wolff's Den, where dainty refreshments were served.

Mr. and Mrs. Maurice Gorman and son Clayton motored to East Jordan last Sunday to accompany their daughter Eleanor and son Farrell home, who had been spending a vacation there. Mr. Gorman's mother, who for sometime had been in Grayling doctoring, part of the time a patient at Mercy Hospital is at present in a serious condition at her home in East Jordan.

Of interest to the bride's Grayling friends will be the marriage on Thursday, August 16th of Miss Winifred B. McLean, daughter of Mr. and Mrs. James McLean of Mancelona, to Mr. Henry Edmund Rush. The ceremony took place at Hartford, Mich., and they will be at home at 54 State Street, Mancelona, according to announcements received by friends. The bride was a former teacher of the 5th grade in Grayling schools and has visited here many times since.

Vote for Ferguson for Co. Treas. Dorothy Roberts has been enjoying a visit from Ruby Olson of Detroit. Mrs. Walter Nadeau returned yesterday from a week's visit with relatives in Detroit.

Ladies, let me show you the new French heel shoe. World's Star agent, Mrs. McDonnell.

Henry Lannen and Hubbard Lindenberg of Columbus, Ohio, visited Miss Helen Schumann Thursday.

Mr. and Mrs. Harry Wright of Lansing are spending the week at the Granger cottage at Lake Margrethe.

Read Col. Charles Lindbergh's new series in aviation in new section beginning August 26 in the Detroit News.

Miss Marjorie Wendland of Farmington was a guest of Mr. and Mrs. George Burke at their cottage at the Lake last week.

Mr. and Mrs. Donald Haskell and little daughter of Shepherd are visiting Mrs. Haskell's sister, Mrs. Sigwald Hanson and family.

The regular meeting of Grayling unit Woman's Auxiliary will be held at the American Legion hall next Tuesday evening, August 28.

Guy Bradley and family returned to their home in Royal Oak, Tuesday after a week's visit with Mrs. Bradley's parents, Mr. and Mrs. Charles Tromble.

Mr. and Mrs. Bernard Bromwell of Manitow Island are visiting the latter's mother, Mrs. Victor Salling, also the former's sister, Mrs. A. C. Peterson and family.

Miss Mabel Nelson of Grand Rapids is the guest for the remainder of the week of Mrs. Alfred Hanson and Miss Margrethe Nelson. All three were classmates at Ferris Institute.

John Megger, who has been spending the summer with Mr. and Mrs. George Burke at Lake Margrethe expects to return to his home in Bay City Saturday. Mrs. Burke will accompany him home.

Mr. and Mrs. Alex Hermann and daughter Arlene and Mrs. Jennie Damerau and daughter Marguerite of Osoda visited at the homes of Mrs. A. Hermann and Mr. and Mrs. Paul Ziebell over the week end.

Mr. and Mrs. A. L. Roberts are entertaining Mrs. Clarence Gilman and three children of Lapeer for a couple of weeks. Over Sunday they had as their guests, Ed. Roberts and family and Mr. and Mrs. Bankert of Reed City.

Frank Jorgenson and daughter Margaret of Detroit were guests over the week end of their sister, Miss Carrie Jorgenson and Mrs. John R. Williams and his brother Adler Jorgenson. They returned home Tuesday accompanied by his son Irving, who had been visiting here for several weeks.

The local Danish people are busy completing their plans for the convention that will be held here beginning tomorrow and closing Sunday. The affair is known as the Kreismode and is a district meeting of the congregations of the Danish-Lutheran church. Tomorrow will see the arrival of many who are to be in attendance.

The heavy windstorm of early Tuesday morning did quite a bit of damage in this vicinity. Many of the large poplars were blown down about town, and telephone and electric service were put out of commission for a while. The wind felled a large tree across the high tension line south of Gaylord disrupting the electric service.

Thirty-two ladies were luncheon guests of Mrs. Olaf Michelson Saturday afternoon at Shoppenagons Inn. After the luncheon the ladies were entertained at bridge at Mrs. Michelson's summer home at Lake Margrethe. The high scores were held by Mrs. Burns and Mrs. Harry Hanover of Ypsilanti. The affair was given for the many out-of-town guests which made the occasion very delightful.

Mr. and Mrs. Peter McNeven and family left for Bay City yesterday where they will make their home. Mr. McNeven is employed by the Michigan Central having been transferred there some time ago. The McNeven family have been splendid citizens, Mrs. McNeven having taken an active part in church and club circles. She was an earnest worker in the Sunday school of the Michelson Memorial church and also took much pride in her work in the Woman's club. The family carry with them the best wishes of many friends.

Mrs. Harold Rasmussen and Mrs. Carl Nelson were hostesses at a luncheon of pretty appointments at the cottage of the former at Lake Margrethe yesterday afternoon. The tables were set on the porch and were beautiful with gladiolas and snapdragons. Following luncheon bridge was enjoyed, Mrs. W. J. Heric holding the high score and Mrs. Frank Tetu receiving consultations. There were 20 guests at the luncheon and then again the same evening they entertained another crowd of 19. Several of the ladies discovering it was Mrs. Rasmussen's birthday brought her some lovely gifts. It was a very pleasant affair. Mrs. John Vaughn of Detroit was an out-of-town guest.

Mrs. Marius Hanson, Mrs. Olaf Michelson, Mrs. Herbert Wolff and Mrs. C. T. Kerry were hostesses at a very delightful musical evening on Thursday. The four ladies running along together with the Wolff pavilion nearly centering them made a most charming setting for such an occasion. The musical program was given by the 107th Medical Band and a real musical treat it was. The band soloist sang some selections which were enjoyed while Miss Erdine Wood of Ypsilanti, niece of Mrs. Olaf Michelson sang a number which called for an encore. Everyone present felt that it was one of the pleasantest of the summer affairs.

Mrs. Fritze Kraus, who has been ailing for some time was taken suddenly ill Monday afternoon and removed to Mercy Hospital, where she is reported as resting a little easier. Her children and their families were called to her bedside and have arrived in Grayling since Monday. Mr. and Mrs. Manuel Weithberg and son Leo and Mrs. Sam Pollock of Detroit, Mr. and Mrs. Sam Friedman and daughter Dorothy Collier of Grand Rapids. Her son G. A. Kraus and family and daughter, Mrs. Wilfred Cohen and husband have been here for some time at Lake Margrethe and another son, Ben Kraus and wife of Elkhorn, Wis. arrived yesterday.

O. K. with the exception of item No. 1 on which \$100. is to be allowed, and item No. 13 which is to be referred to the Council for discussion.

Committee,  
Emil Giegling,  
Geo. W. McCullough.

Moved by E. Giegling and supported by Thos. Cassidy that the bills be allowed and the clerk draw orders on the treasurer for the same. Yea and nay vote called. All present voting yea.

After discussion and a very good explanation by Mr. Wm. Mosher of the reason for the seemingly high cost of erecting the fire siren tower, the following motion was made by Emil Giegling and supported by Thos. Cassidy that "The bill of William Mosher for \$152.00 for the erecting of the fire siren tower be allowed." Yea and nay vote called. All present voting yea. Motion carried.

Question of selling the horns left by the Band was brought up and fully discussed. The following motion was made by E. Giegling and supported by A. J. Joseph that "The Finance Committee be given authority to sell any of the band instruments." Yea and nay vote called. All members present voting yea. Motion carried.

Bonds of the Village Treasurer, Herluf Sorenson, amounting to \$20,000 approved by the Council.

Moved and supported that the Board adjourn. Motion carried.

H. Petersen, Roy O. Milnes, President. Clerk.

Meeting held on the 18th day of July A. D. 1928, Grayling, Mich.

Special meeting called to order by President H. Petersen.

Trustees present: Thos. Cassidy, A. J. Joseph, A. L. Roberts, Emil Giegling and George W. McCullough.  
Absent: E. G. Shaw.

A. J. Joseph as chairman of the Industrial Committee was to take up the matter of paving of the portion of U. S. 27 which runs through Grayling with the Board of Trade, our Supervisor and other interested parties and arrange, if possible, a meeting with Frank Rogers, State

Highway Engineer. He was allowed to appoint a committee from the Council to help him and he appointed Emil Giegling, A. L. Roberts and Thos. Cassidy.

Moved by Emil Giegling and supported by A. J. Joseph that "Sealed bids for paving of Michigan Avenue in accordance with the plans and specifications of Stacks and Dow, will be received until Monday, August 6th, 8:30 p. m. Central Standard time. Also that advertisements for bids be run in the Crawford Avalanche and also the magazine Michigan Roads and Pavements. All members present voting yea. Motion carried.

Moved and supported that the clerk write to Mr. Andrew Linderink, Engineer, of Kalamazoo, Michigan, asking him to come here next week for the purpose of advising us the pipes best suited for relaying our water mains. Also any other questions that might come up in regards to the paving, removing of the telephone and electric light wires. Yea and nay vote called. All present voting yea. Motion carried.

Moved and supported that the Board adjourn. Motion carried.

H. Petersen, Roy O. Milnes, President. Clerk.

Meeting held on the 16th day of July A. D. 1928, Grayling, Mich.

Special.  
Present: George W. McCullough, Thos. Cassidy, A. L. Roberts, Emil Giegling and A. J. Joseph. Absent: H. Petersen and E. G. Shaw.

In the absence of the President the meeting was called to order by President Pro-tem George W. McCullough.

Mr. E. P. Platt, General Manager of the Tri-County Telephone Company was present and talked over in a general way just what it would mean for his company to remove their telephone poles from Michigan Avenue. After due discussion and

explanation the following resolution was presented:

Whereas the question of removing all poles from Michigan Avenue from the Michigan Central Railroad right-of-way to the intersection of Spruce Street has been discussed and whereas it appears that the local telephone company is not in position to make complete removal of their poles at this time. Therefore be it resolved that the question be referred to the Committee on Streets, Sidewalks and Bridges to negotiate this matter with the telephone company with full power to act.

Moved by E. Giegling and supported by A. L. Roberts that the resolution be accepted, approved and adopted. Yea and nay vote called. All present voting yea. Motion carried.

Moved by Giegling and supported by Roberts that the same committee negotiate with the Electric Company about the removal of their poles from Michigan Avenue. Yea and nay vote called. All present voting yea. Motion carried.

The Clerk presented prices on wooden pipe and also prices on cast iron pipe. There was varied opinions about the two kinds of pipe and finally the motion was made as follows:

Moved and supported that this board meet again on Wednesday, July the 18th, for the purpose of further discussing the relaying of the water mains and sewers on Michigan Avenue, also the advertising for bids on the construction of the pavement for Michigan Avenue. All members present voting yea. Motion carried.

Geo. McCullough, R. O. Milnes, President Pro-tem. Clerk.

Meeting held on the 6th day of August A. D. 1928, Grayling, Mich.

Meeting called to order by President H. Petersen.

Trustees present: Thos. Cassidy, A. L. Roberts, A. J. Joseph, Emil Giegling, E. G. Shaw and George W. McCullough.

Moved by Emil Giegling and supported by A. L. Roberts that bids be accepted for reading without the necessity of being accompanied by

## STATE OF MICHIGAN

The probate court for the county of Crawford.

At a session of said court, held at the Probate Office in the Village of Grayling in said County, on the 20th day of August A. D. 1928.

Present: Hon. George Sorenson, Judge of Probate.

In the matter of the estate of Nellie E. Palmer, late of the Village of Grayling, in said County of Crawford, deceased.

Oscar P. Schumann, administrator of said estate having filed in said court his petition, praying for license to sell the interest of said estate in certain real estate therein described, for the purpose of paying debts.

It is ordered that the 17th day of September A. D. 1928, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition, and that further notice will not be given in said matter, and therefore be it known that all persons interested in said estate appear before said court, at said time and place, to show cause why a license to sell the interest of said estate in said real estate should not be granted.

It is further ordered, that public notice thereof be given by publication of a copy of this order, for three successive weeks previous to said day of hearing, in the Crawford Avalanche, a newspaper

printed and circulated in said county.

GEORGE SORENSON, Judge of Probate.

A true copy. George Sorenson, Judge of Probate.

## PICTORIAL LIFE OF HERBERT HOOVER

No 1

By Satterfield

1. Herbert Hoover's ancestors, Quaker faith, came to America from France and Holland.

2. They became settlers first on farms in Maryland, thence moving to North Carolina and Ohio.

3. In 1883 the Hoovers migrated to Iowa, where they and their neighbors founded the town of West Branch.

4. Before clearing the land for their farm, these Quaker pioneers built a Meeting House.

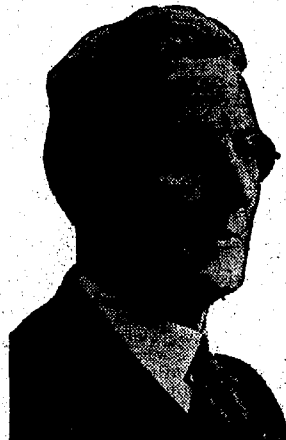

## FERGUSON FOR County Treasurer

The following was taken from the last audit of the books and records of the local County Treasurer's office: "The books and records in this department are in very good condition. All funds due the County as shown by various books of record, delinquent tax receipts, redemption certificates, etc., were duly receipted for; funds received from the state for various purposes were accounted for and credited to the proper funds. Funds receipted for were promptly deposited in the County depository. Good service is being rendered by this department."

Consider this when voting for  
COUNTY TREASURER

J. E. BOBENMOYER  
REPUBLICAN  
Candidate for  
SHERIFF

H. S. Karcher  
Rose City  
Republican Candidate for  
State Senator

The forthcoming Legislature is going to be one of the most important in Michigan's history. Questions involving taxation, conservation, and highways will be submitted to the Legislature for their consideration. It behooves every district in Northern Michigan to elect a man competent and with experience to represent them.

Senator Karcher is now a member of the most important committees in the Senate; and if elected, will undoubtedly have the same committee appointments in the next Legislature. Your vote will be appreciated.
